3.1 COST REDUCTIONS

As part of its institutional aims of promoting social integration and cultural education among young university students, the Ceur Foundation provides annual support for deserving students and/or those lacking financial means. This support is provided both through the stipulation of agreements for the allocation of places to the local authorities responsible **for the right to education** and through the provision of additional fee reductions, at the discretion of the Foundation's Board of Directors.

More specifically, the Ceur Foundation offers students **3 income-based fee reductions**. Those who meet the requirements listed below may request these reductions **by April 7th 2026**.

Requirements to access the reduction based on Income:

- ◆ I.S.E.E (eligible for university entitlement benefits): Up to Euro 28,000¹
- ◆ Maintenance of requirements for renewal (from the 2nd year in Camplus);
- ◆ Sign a 12-month contract with Camplus for the 2026-2027 academic year.

Equal to or less than € 16,000.00	8%
From € 16,000.01 to € 28,000.00	4%

The Foundation will assign the income-based fee reductions **by April 15th 2026**. Reductions will be assigned in ascending order of I.S.E.E. In the case of equal ISEE scores, priority will be given to the candidate who has been staying at the Camplus Residence for the longest time; in the case of continued parity, priority will be given to the candidate who is youngest and, in the case of further parity, priority will be given to the Application with the earliest submission date.

¹I.S.E.E. certification is issued on the basis of the Single Substitutive Declaration that must be filled in and delivered to a Tax Assistance Centre (CAF) or to the INPS office responsible for the territory or municipality of residence. With regard to I.S.E.E. certification, it is specified that both the income and the movable and immovable property data refer to the year 2024 (Italian Decree Law 101 of 03/09/2019).

It should be noted that **it is the responsibility of the interested party to obtain the I.S.E.E. Certificate with the relevant protocol number** (e.g. INPS I.S.E.E. 2026-XXXXXXXX-00) and the note **"Applies to subsidised services for the right to university education"**, in good time for the deadlines for submitting the application. I.S.E.E. certificates with annotations regarding omissions and/or discrepancies found following the INPS (Italian National Social Security Institute) inspection will not be accepted.
